About AI Summit

The AI Summit Vancouver is a premier gathering for AI enthusiasts, professionals, and industry leaders. Our goal is to foster connections, empower the AI community, and celebrate the latest advancements in artificial intelligence.

- Join us on November 1st and 2nd, 2024
- Learn from 25+ industry leaders from the US and Canada.
- Connect with like-minded professionals and potential collaborators.

Agenda:

- Business and Innovation Track - Discover how AI is transforming industries and driving business growth.
- Developer Technologies Track - Engage in hands-on workshops and training sessions.

For a deeper understanding of the AI Summit Vancouver's vision, you can read our [founding article](#) here.

For any additional inquiries reach out to the

- **Organizer**, Procheta Nag
- **Communication Manager**, Nicholas Tsang

Partner with US

Sponsors:

Provide financial support to the summit and receive marketing benefits as described in the sponsorship package.

Partners:

Contribute to the summit in a more strategic way, providing in-kind services, cross-promotion, resources in addition to funding support (whether fund by yourself or from other sources).

Community partners:

Non profit organizations/community that support the summit voluntarily and help to promote it to their network. Get featured in the AI summit website.

Social Media Sharing

Please follow the following guidelines while promoting AI Summit or your association.

Promotion Guidelines

- Feature the AI Summit in an article, event listing, or dedicated section on your website, blog, newsletter or social media. For Press or media release contact us via email to discuss further.
- Clearly Acknowledge the Leadership:
“Procheta Nag, the Founder and Organizer of the AI Summit Vancouver, leads this initiative”
“The AI Summit Vancouver is founded and led by Procheta Nag”
- Direct the registration call to action on official website: vanaisummit.com. External registration is not permitted.
- Encourage speakers to submit proposals through the official AI Summit call for speakers. All proposals should be recorded here.
- Showcase our Partners and Sponsors: Find our amazing partners on our website. Featuring them demonstrates the event's support and strengthens its credibility.
- For social media promotions please use the hashtags and tag our LinkedIn page.
